

EDUCATION

University of California, Santa Barbara	Sep 2023 – Jun 2027 (Expected)
<i>Bachelor of Science (B.S.) in Statistics & Data Science</i>	<i>Major GPA: 3.81/4</i>
<i>Bachelor of Arts (B.A.) in Economics & Accounting</i>	<i>Major GPA: 3.90/4</i>
Dean's Honor List: Fall2023, Fall2024, Winter2025, Spring2025	

TECHNICAL SKILLS

- **Programming:** Python, R, SQL, C, JavaScript
- **Data & Analytics:** DuckDB, Pandas, tidyverse, Stata, Excel (VLOOKUP, PivotTables, etc.)
- **Visualization:** ggplot2, Rshiny
- **Cloud & Tools:** Git/GitHub, Google Cloud Storage, GitHub Actions
- **Languages:** English, Mandarin

PROJECT EXPERIENCE

CalCOFI Research Project Data Science Researcher	Santa Barbara, CA Sep 2025 – Jun 2026
• Developed an automated data pipeline using Python, R, DuckDB, and YAML-based configuration frameworks to ingest, validate, and standardize 75+ years of oceanographic and species abundance data • Built scalable ingestion and metadata workflows to transform heterogeneous ecological datasets into reproducible analytical tables with standardized taxonomy via WoRMS integration • Implemented data validation and cloud distribution processes using Parquet exports, Google Cloud Storage, and GitHub Actions to support automated weekly pipeline execution • Contributed to an interactive R Shiny dashboard enabling real-time visualization of marine ecosystem trends, spatial distributions, and species abundance patterns for CalCOFI researchers • Collaborated with NOAA, UCSD Scripps Institution of Oceanography, and faculty researchers to modernize long-term marine ecosystem monitoring infrastructure	

INTERNSHIP EXPERIENCE

RSM China Audit Assistant	Shenzhen, China Aug 2025
• Supported IPO audit procedures for an environmental technology company, performing financial sampling, reconciliation, and audit documentation aligned with PCAOB and China GAAP standards • Utilized Excel and RSM's EAS system to validate bank confirmations, examine supporting records, and maintain accuracy of financial workpapers	

CAMPUS EXPERIENCE

UCSB Mathematics Department Undergraduate Teaching Assistant	Santa Barbara, CA Sep 2024 – Mar 2025
• Evaluated mathematical assignments and provided detailed feedback to support student understanding of calculus and quantitative problem-solving concepts • Selected by the UCSB Mathematics Department based on strong academic performance in mathematics • Maintained consistent turnaround of grading deliverables while supporting course instruction for 35+ students	

LEADERSHIP DEVELOPMENT

UCSB Chinese Students and Scholars Association Vice President	Santa Barbara, CA Sep 2023 – Present
• Spearheaded development of an internal OA collaboration platform using a SQL-based database architecture and independently built the UCSB CSSA official website, improving operational efficiency by 20% • Managed \$60,000+ annual organizational budgets, reimbursement workflows, and UCSB funding applications while ensuring financial accountability • Coordinated cross-functional initiatives across finance, operations, and technology teams to support large-scale student events with 500+ attendees • Established partnerships with 10+ local businesses for the CSSA Black Card program, securing 10% student discount programs and strengthening community engagement
